

# An analysis of Conservatism and the Involvement of Nationalism form

Hello dear volunteer, this survey is meant to be a means for collecting data on the general ideology of [Nationalism](#) and its implications on political rhetoric. The survey does attempt to gauge your general political leanings and they might be affected slightly as a result. We assure you that the calculated assumptions can in no way be traced back to your identity using the credentials collected and no action in this direction will be taken. Thank you for spending a bit of your precious time for this purpose.
